

As scientists, we will look at 'Animals including Humans', looking at and describing the changes of humans from birth to old age.

We will get the opportunity to go paddle boarding this term, with an almost certain guarantee of getting very wet! We will have to show lots of perseverance as we learn how to balance on the board.

Year 6 will have many Leavers' events, including their trip to the cinema and La Casa. They will also attend the service held by the Dioceses of Chichester, as well as a service at St James the Less.

We will also have Sports Day this term, a chance for the children to show respect through sportsmanship and perseverance in the races.

We will be working incredibly hard on our class play, 'Rock Bottom'. The children are busy learning their lines, making props and getting to grips with the lighting, choreography and music. We hope to see you all there to watch!

Primary School**
Believe and Achieve

As readers, we will enjoy reading extracts from 'Romeo and Juliet' and 'Macbeth', both by William Shakespeare.

We will look at the language used and work to decipher the meanings. We will produce a formal letter, a playscript and our own 'Song of the Witches'.

Badgers

Term 6 2025

All the World's a Stage!
Is entertainment important?

Our Learning Concepts

Tradition, transformation, cohesion, common good, community.

Golden Thread

As mathematicians, we will look at statistics, including reading, interpreting and drawing timetables, line graphs and pie charts.

We will also be converting units, such as kilograms, kilometres, millimetres and metres. We will also convert between imperial and metric measures.

In art we will look at a range of sculpture artists, analysing what we do and don't like before creating our own.

In RE we will consider what matters most to Humanists and Christians.

In PSHE we will learn about 'Changing Me'.

As historians, we will look at theatre throughout time, including the Tudors and Shakespeare's Globe, considering the impact on theatre today.

In PE, we will focus on cricket and rounders with The Brighton and Hove Foundation on Wednesdays and will have athletics on Fridays.

In computing, we will use a range of elements to create posters and programmes for our school play.
