

As scientists we will learn about how things in our world can be alive or not alive. We will learn about the seasonal changes which occur in the season of summer. We will also learn to ask and answer questions. Having an awe and wonder about the various scientific concepts.

As historians we will be discovering the impact of famous people and how this impact occurred. We will be learning about the lives and work of Neil Armstrong, Katherine Johnson, Rosa Parks and Frida Kahlo. Understanding of diversity

Using our computing skills, we will understand what algorithms are, how they are implemented as programs on digital devices, and that programs execute by following precise instructions. Joy and excitement of what can be developed and created

In PE we will be developing our athletics skills as well as our striking and fielding skills. Working as a team.

As writers we will be exploring all different genres of writing. We will be learning about Famous People and then choosing what genre we would like to write e.g. Diaries, letter home, newspaper article, postcards or a recount. Creating an idea of awe and wonder through literature.

### Hedgehogs Term 5 2025

#### Famous Faces

Learning Question:  
How do people create change?

**GOLDEN STRANDS**

### PE Days: Monday and Thursday

In music we will be learning about famous musicians, composers and singers as well as singing and creating our own music. We will learn more music related vocabulary. Understanding the beauty in design and the world.

As mathematicians we will be learning how to collect data, create pictograms and find out about statistics. We will learn to recognise and use coins and notes to add, subtract and solve problems. We will learn about  $\frac{1}{2}$ ,  $\frac{1}{4}$ ,  $\frac{3}{4}$ ,  $\frac{2}{4}$  and  $\frac{1}{3}$  of shapes and numbers. Identifying pattern and creating awe and wonder regarding numbers.

As designers we will learn about cooks and why they follow recipes, design packaging for a food product. We will also learn how to be safe when preparing food and make a recipe. As well as evaluating what we made. Understanding the beauty in design and the world.

In RE we will be continuing to learn about the Muslim faith and the Muslim community.
