

Literacy

Books – a mix of adult and child choice!
Children choose the end of day story to help them explore their likes

Adult chosen books:

Zoom, Journey, Quest, Follow the Track All the way Back, Oh the places you'll go!, Mrs Armitage, as well as non fiction books.

Recapping and continuing our phonic sounds
Using our 'Reading Toolkit' to practice our VIPERS skills

Writing challenges! Adventure packing list, passports, tickets & posters!

Religious Education

This term's value is: Trust
The children follow learning about Christians' belief and God with Tessa and Tom, around the theme of Trust

Physical Development

Children enjoy a mix of child initiated play and directed PE sessions for the children to get lots of opportunities for fine and gross motor movements- including moving, ball skills, scooters, construction, mark making and writing!

Communication & Language

Regular carpet talking and sharing time, and games that develop language awareness
After taking our class bear, Billie, home for a weekend, children have the opportunity to tell the class what they did
Stories and circle time with lots of chances to talk – as a class and within groups
Lots of time for child initiated interaction

Rabbit Class

Summer 2 2022

"Explorers!"

PE Day: Monday PM

Where on Earth are we, and where are we going?

Values: Change, responsibility, trust, care.

Personal, Social & Emotional Development

Star Helper and individual jobs
Plenty of time for child initiated interaction to build friendships and learn through play.
PSHE taught using 'Jigsaw'
This term's focus is: Changing Me!

Mathematics

Recapping one more and one less up to 20
Securing our understanding of 'counting on'
Exploring learning about Capacity
Learning about time using a clock
Representing numbers 10-20 using denes blocks and numicon
Further exploring shape and pattern

Expressive Arts & Design

Plenty of opportunity to mark make – chalk, paint, printing, pencils, water painting outdoors
Spring & summer colours painting and drawing
Spring & summer colours and symbols
Junk modelling- continuously refreshed!
Construction – indoors & outdoors!
Sensory play – sand, shaving foam, mud kitchen, playdough
Role play area – rotated following child interest

Understanding the World

Our theme this term is 'Explorers!'
Children will have opportunities to learn about different countries, and choose their own country to learn about! We will also explore themes around protecting the world & recycling
