

We have been developing our School Library, as well as re-banding and updating our books, so that all children have access to a range of fiction and non-fiction texts, which are at the appropriate level for their age and reading skills.

We have also updated our books to ensure that the 'Book Band' colours correlate with our Twinkl Phonics books in EYFS and KS1 up to Level 6. Books that are levelled at or above Twinkl Phonics Level 6 are banded according to a nationally recognised Book Banding System. These Book Bands ensure that your child is reading at the level they should be reading at for their age and stage of reading.

In our library the children can access books from Purple Level through to Black Level. The children have access to the library to change their books at least weekly, according to their class timetable and with direction from their class teachers.

We have sorted the non-fiction books in to Curriculum Subjects, but this is an ongoing process as we will be banding them according to their subjects correlating with Pioneer Curriculum Unit planning. This will enable teachers and children to access books relevant to their Learning Question each term.

All other books in the library will be identified on their spine by a Shiny Gold sticker - 'Reading for Pleasure - Non-Fiction' or a Holographic Silver sticker - 'Reading for Pleasure - Fiction'.

We will continue to develop our School Library over the coming months to ensure the best access to all books for all children.
